

WORLD SCHOOLS GOLF CHALLENGE

ADELAIDE, April 13 - 17, 2009

The organisers of the World Schools Golf Challenge invite school golf teams to come to the second World Schools Golf Challenge being held in Adelaide from Monday April 13 to Friday April 17, 2009.

The tournament is a four-round stroke play event with team and individual gross and nett competitions. The 4 student teams can be boys, girls or mixed who must be aged from 13 to 19. Organisers expect to attract at least 80 teams from secondary schools in the United States, United Kingdom, Europe, Canada, Asia, New Zealand and South Africa, as well as from throughout Australia.

The organisers' policy is one of inclusion – there are no qualifications required beyond being a member of a school team, having a recognised golf handicap, a love of the game of golf and a desire to meet other college golfers from around the world.

The tournament is unique because there is no other international schools team event with an individual element for middle to higher handicap golfers. It will be a celebration of junior golf and a once in a life-time experience for high school golfers, their coaches, teachers and families.

WHO CAN ENTER?

The beauty of the tournament is that entry is not limited to one school per country – any school can participate and there is no limit to the

number of teams that a single school can enter.

REGISTER ON-LINE NOW - EARLY BIRD PRIZE!

Secure your place in the tournament by registering on-line now and have a chance of winning a special entry prize being drawn from all teams who enter prior to June 30, 2008.

CONDITIONS OF ENTRY

Full details about the Tournament Rules and Conditions of Entry are available at www.schoolsgolf.com.

WHAT THEY SAID ABOUT WSGC 2007

"... many friendships established both on and off the course. A once in a life time experience!" Terry MacDermott, St. Michaels College, Adelaide.

"The golf and the travel were fantastic experiences." Shaun van Wyk, Kearsney College, KwaZulu Natal, South Africa
